

DREAM TICKET • ADVENTURE WORKSHEET

For grown-ups: how it works

Every adventure is a Dream Ticket, near or far, real or imagined

Pink Patsy and Bobby Blue, the adventurous teddy hares, love to travel. In these worksheets every child gets a Dream Ticket, whether they visit the seaside, explore their own park, or travel only in their imagination. Every adventure counts the same.

1

Imagine

Look and listen for ideas: crashing waves, tall shady trees, glistening snow.

2

Believe

Imagining needs the special magic of belief. Don't question it, believe it!

3

Create

The fun bit! Put pencil or paint to paper. Don't judge yourself, just have fun.

4

Succeed

Look at what you created, send it to us and we will pin it on the map!

What's in this pack

2. My Adventure Diary page (the same questions as the website form)
